PO Box 165, San Juan Bautista, CA 95045

Dear Friends,

The Tri-County Riders would like to invite you to become a sponsor of our **11th Annual Spring Fever Buckle Show**. The Tri-County Riders was formed in 2007 to serve the Tri-County area of Monterey, San Benito and Santa Cruz Counties. We draw riders from all over the Bay Area and the Central Valley as well. The Tri-County Riders' goal is to remain true to our members by creating a family-oriented club that offers all riders the opportunity to compete under a uniform set of rules that are suited to their abilities, and to expose more young people to the enjoyment of good horsemanship and sportsmanship.

This year's **Spring Fever Buckle Show** will be held April 10 & 11, 2026 at the Monterey County Sheriff's Posse Grounds in Salinas, CA. We anticipate 75 or more riders and families staying and camping for the weekend. Our goal is to offer premium awards including Buckles, Bronc Halters and Reins, as well as smaller "day" awards for those riders only able to participate 1 day. Please see the attached matrix for pricing. The primary source of funding for our **Spring Fever Buckle Show** is from sponsors, such as yourself.

We are asking you to help us with this year's endeavor by becoming a sponsor for our **Spring Fever Buckle Show**. Your company name/logo will appear on an event banner, Facebook, Instagram, the internet and print materials. For more information on The Tri-County Riders, please visit our website at www.Tri-countyriders.com or follow us on Facebook at Tri-County Riders. You will see our group of participants varies by age, ability and horsemanship. Tri-County Riders offers something for everyone, from age 2 to 92. Many of our local Jr. and High School rodeo participants start out in TCR and go on to rodeo.

Please do not hesitate to contact me with any questions or concerns. I look forward to speaking with you at your earliest convenience. Again, thank you for continuing to support Tri-County Riders and our **Spring Fever Buckle Show!**

Sincerely,

Jennifer Galindo-Cole
